If it is necessary to classify the map for any reason, this would be acceptable since it will be used in a classified report to the Chairman. Such a map was used in the briefings provided by our people in

6. (Unclassified - LLM) In connection with his request of 7 September, tried to contact Dick Schultz, Associate Chief Counsel, House Internal Security Committee, but he is out of town and I left a message for him to return my call.

7. (Unclassified - SMG) A staff member in the office of Representative Margaret Heckler (R., Mass.) called on behalf of a constituent interested in employment with Air America. I referred him to the local Air America office.

8. (Unclassified - JGO) Talked to Mrs. Barbara Crivella, Executive Secretary to Representative Albert Johnson (R., Pa.), in response to her call concerning [redacted] Mrs. Crivella indicated that Mrs. [redacted] had seen a file in the Pentagon which contained a document about herself indicating that official checks with the government of West Germany had revealed no evidence of moral turpitude. In brief, I told Mrs. Crivella that the wording used would indicate that the report was probably an Immigration and Naturalization report and that contrary to Mrs. [redacted]'s idea that it might be an unfavorable one, it was in fact a partial certification of eligibility for entry into the United States. I suggested that she might want to check with the staff of the House Immigration and Naturalization Subcommittee for any information that she might need.

9. (Confidential - JGO) Messrs [redacted] NARCOG, [redacted] DDI, [redacted] FE, and [redacted] met with Messrs. John Brady and Robert Boyer, House Foreign Affairs Committee staff to debrief them concerning their recent trip to Southeast Asia. In part, Mr. Brady told us that his report to the Chairman would be classified but that he will see that the Agency gets a copy of the report. He also indicated that if, after seeing the classified report, it is deemed desirable to publish a sanitized report, he would be pleased to take the matter up with the Chairman on our behalf. See [redacted] Memo for the Record.

## MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Brady and Boyer, Staff Consultants  
of the House Committee on Foreign Affairs,  
12 September 1972

1. The afternoon of 12 September I accompanied Joseph [redacted] of OLC, DDP/NARCOG [redacted] and Joseph [redacted] of DDP/FE to the Rayburn Building to talk with John J. Brady, Jr., and Robert K. Boyer, Staff consultants of the House Committee on Foreign Affairs. This was a follow-on on our session with Brady and Boyer on 6 September. The session on 12 September went from about 1400 to about 1630. It was a friendly session throughout.

2. The session started with some discussion of recent press items, including the Jack Anderson column in the Washington Post on 9 September. We told Brady and Boyer what the sources were of the quotations regarding Laos in that Anderson column. One of the sources was a May 1971 ER IM, and [redacted] showed Brady a copy. [redacted] provided Brady a set of our classified memoranda dealing with narcotics; a list of the classified documents passed to Brady is attached.

3. Brady was interested in the classification of our intelligence memoranda and reports, and we explained the reasons for the classifications. ... Brady also asked about the report which had received some publicity and which contained an allegation to the effect that the 26 tons of opium burned by the Thais was in fact heavily adulterated. I explained what kind of report that was [redacted] and what it said. ... In connection with the 26-ton deal, Brady said that Kriangsak said the Chinese are not getting what they thought they would out of resettlement.

4. There was a long discussion with regard to the CIA correspondence with Harper and Row on the McCoy book. Brady and Boyer were told of the limited amount of time we had with the McCoy page-proofs, and there was some discussion of the sequence of events with regard to that book, the earlier article in Harper's, and Congressman Aspin's letter to the DCI. [ ] provided Brady a copy of the McCoy article in the 21 September issue of the New York Review. Brady asked and was told about our interview with people in the field-- [ ] Regarding [ ] Brady said one "couldn't believe that son-of-a-bitch on a stack of Bibles."

5. Brady noted that somewhere in their travels someone had told them that one and possibly two Air America pilots had been involved in the drug trafficking. [ ] indicated that the reference evidently was to something that happened about three and a half or four years ago and that those involved were not pilots but employees, baggage handlers. Brady asked to be provided some details on this, and [ ] undertook to look into the matter.

6. Brady said the report he and Boyer were going to do would be classified, but they would make it available to CIA and State, and that if CIA or State felt an unclassified report would be helpful, they will raise this question.

7. There ensued a long discussion of the McCoy book and various aspects of it. [ ] noted the statement we had gotten from BNDD and mentioned that we had someone checking the footnotes and sources cited in the McCoy book. [ ] cited in particular page 349 and footnote 338; page 16 and footnote 6; page 28 and footnote 53. Brady asked what we are going to do with all this footnote research, and he indicated he thought they would find some of it helpful.

8. Brady asked for some clarification about the legality or illegality of opium in Laos prior to the law promulgated in the fall of 1971. The question evidently had come up in their interview with [ ] After raising a question about this while in the field, Brady [ ] had received a message from [ ] stating that while opium had been legal in the northern provinces in Laos, it had not been legal in Vientiane province or provinces to the south. We were unable to clarify this at the time, and [ ] undertook to get a copy of the [ ] and to look into the matter. (Brady said he had received the message on 31 August.)

9. Brady said that Conein had told them that he had told McCoy two things in the book but not the other things attributed to him in the McCoy book. ... Brady and Boyer indicated that they would be talking with both Belk and Warner of BNDD.

10. There followed a long discussion of various intelligence questions, operational subjects, personalities, communications, organization, and so on.

OFFICE OF LEGISLATIVE COUNSEL

Monday - 11 September 1972

1. (Confidential - JGO) Received a call from Jack Brady, House Foreign Affairs Committee staff, who asked whether the Jack Anderson column of Saturday, 9 September, was drawn from an identifiable paper. He also asked if it would be possible to see the references that have been identified that Anderson has been using. After checking with [REDACTED] DDI, I told Brady that the Saturday item could have reference to material in several documents that could have been written during the past year or so and that I had relayed his request concerning the various documents referenced by Anderson.

2. (Confidential - JGO) I talked to Mr. Lou Conein, BNDD, who told me that he met with Jack Brady and Bob Boyer, House Foreign Affairs Committee staff, this morning for 2 1/2 hours and reviewed in detail with them the material set forth in Alfred McCoy's book "The Politics of Heroin in Southeast Asia." He said the discussion was thorough and detailed and that all but two of the statements attributed to him in the book were wrong. The other two statements could be considered only half right. He said that Jack Brady told him that they were going to recommend against hearings to Chairman Morgan but asked if he (Mr. Conein) would be available to testify if hearings were called. Mr. Conein told him he would be glad to testify under oath if requested and that he hoped Mr. McCoy would be present in the room. Mr. Conein is forwarding a copy of Ed Lansdale's letter to Harper and Row and told me that he is drafting a letter of his own to the publishers objecting to the material relating to himself that is set forth in the book. He will also forward a copy of his letter when it has been drafted. Messrs. Colby, Ex. Dir., [REDACTED] NARCOG, and [REDACTED] OCI, have been advised.

8. (Internal Use Only - JGO) I talked briefly with Mr. Lou Conein, BNDD, who is scheduled to meet with John Brady and Bob Boyer, House Foreign Affairs Committee staff, on Monday morning concerning material from Alfred W. McCoy's book "The Politics of Heroin in Southeast Asia" which is attributed by the author to an interview with Mr. Conein. This call was in response to several calls by Conein earlier in the day to NARCOG for guidance. I told Conein that Messrs. Brady and Boyer were under a charter from Chairman Morgan to make a firsthand on-the-spot investigation of the various charges in the McCoy book. I told him that he would not find them hostile in any regard and that he should feel free to be as cordial as possible in responding to their queries. Messrs. Colby, [REDACTED] NARCOG, and Osborn, D/S, have been advised.

25X1A 5. (Confidential - JGO) In response to his call, I met with Jack Brady, House Foreign Affairs Committee staff, and after checking with [ ] FE Division, gave him telephone numbers for Lou Conein. This was by way of followup to a suggestion made in yesterday's meeting with Agency representatives that he might want to contact Mr. Conein directly concerning the statements made by Mr. McCoy with regard to interviews with Mr. Conein. Mr. Brady told me in confidence that the staff report will be classified secret. The report is in response to Chairman Morgan's personal request. See Journal of 6 September 1972. 25X1A

6. (Secret - JGO) Received a call from Frank Slatinshek, Chief Counsel, House Armed Services Committee, who told me that Chairman Nedzi would like a briefing on Monday at 10:30 a.m. In Slatinshek's opinion the briefing would be an updating of the previous briefings given the CIA Subcommittee on the world situation. He suggested, however, that it would be well if we called Nedzi directly to identify any particular items he might want covered.

Messrs. Jack Brady and Bob Boyer, House Foreign Affairs Committee staff. The planned debriefing of Messrs. Brady and Boyer was cut short due to a Committee deadline for later this afternoon for material for use by the House and Senate Democratic leadership on the events of yesterday in Munich. A followon meeting was scheduled for Tuesday, 12 September, at 2:00 p.m. in Room 2170 Rayburn House Office Building. Messrs. Brady and Boyer were complimentary about the Agency personnel and treatment they received in the field noting that in their opinion the overall narcotics handling by United States' agencies has improved in the last year since CIA has been more actively involved in the problem. See [redacted] Memorandum for the Record.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Brady and Boyer, Staff Consultants  
of the House Committee on Foreign Affairs, 6  
September 1972

25X1A 1. The afternoon of 6 September I accompanied Joseph [redacted] of OLC, DDP/NARCOG [redacted] and Joseph [redacted] of DDP/FE to the Rayburn Building to meet with John J. Brady, Jr., and Robert K. Boyer, staff consultants of the House Committee on Foreign Affairs who just recently returned from a fact-finding mission on narcotics in South-east Asia. The meeting turned out to be shorter than anticipated, mainly because Brady had a paper to prepare that afternoon and did not have time for a lengthy discussion. 25X1A

25X1 2. There was some discussion of the question of who actually interviewed [redacted] From the picture in the McCoy book, Brady identified [redacted] as the man he had talked with. We confirmed that our man had indeed talked with Ger Su Yang. 25X1A [redacted] showed Brady and Boyer a copy of a transcript of a McCoy interview on TV on 15 August in which McCoy quoted [redacted] as referring to a recent talk by a CIA man with [redacted] In any case, the air seems to have been cleared on the [redacted] question. 25X1A 25X1

25X1A 3. According to either Brady or Boyer (I forget which), [redacted] referred to McCoy as a "bastard" and "egotistic shit," but said he admires McCoy's scholarship.

25X1 4. Brady noted that they had had a long talk with Thao Ma. [redacted] asked how this fit in with other material. Brady said it all fits together in varying degrees; he noted that according to Thao Ma, trafficking is still going on. 25X1

5. [ ] asked whether Brady and Moyer had any observations or questions as a result of our briefing of them before their trip. Brady commented on one point, the Kriangsak's arrangements with Li and Tuan and the Thai burning of 26 tons of opium. Brady said that before their trip they had been given the "official view" that the money involved in this deal was for "resettlement" of the Chinese elements. Brady said that was "horseshit," that that deal was a "buy." -- Brady noted that Kriangsak had told them that the Chinese had come with 27 tons and that he, Kriangsak, had told the Chinese he had no authority to handle more than 26 tons and they should take the other ton back and get it out of Thailand. -- Brady also commented that it had taken them a long time to get this information. He also noted that the Chinese are "still in the hills" and can grow opium poppies if they want to.

6. Brady said that various people had commented that the suppression effort had developed faster than they had thought while crop substitution was not moving as fast and that this was causing problems in the hill tribes.

7. Brady said that he was impressed with CIA people out there, and that they seemed to be giving narcotics top priority--but, he added, the people in Japan seem perhaps not as aware of the problem in the same way. -- He also commented that he thought the move of the BNDD Regional Office from Japan to Manila is "not good."

8. There was some further discussion of the situation in general and about the McCoy book. Neither Brady nor Boyer had yet read the McCoy book--but were going to do so--and they both noted that they had not yet gone over all their notes. It was tentatively arranged that we would have another session on Tuesday, 12 September.

5. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, and brought him up-to-date on the status of the "Ervin amendment" now pending before the House Judiciary Committee. Preston told me that it would be his suggestion that Mr. Helms call Chairman Mahon if it becomes necessary to have Chairman Mahon talk to Chairman Celler about this bill.

I briefed Preston on Soviet forces near the Chinese border and two pending major Soviet space events.

6. (Confidential - JGO) Met with Mr. Frank Slatinshek, Chief Counsel, House Armed Services Committee, and briefed him on the status of the Ervin bill amendment pending before the House Judiciary Committee. Slatinshek recommended that we await further developments in the handling of the bill by the House Judiciary Committee before any further consideration of intercession by Chairman Hebert in the matter.

7. (Confidential - JGO) Talked to Mr. Jack Brady, House Foreign Affairs Committee staff, who returned this weekend from a "drug survey" in Indochina and scheduled a meeting with him for debriefing for tomorrow, Wednesday, 6 September, at 2:00 p.m. Brady asked, if possible, if he could meet immediately with [redacted] on the Ger Su Yang matter. After checking with [redacted] FE Division, I told Brady that [redacted] is fishing in the wilds of Minnesota on a well-earned leave and is not available but I was sure that this matter could be handled fairly completely in the meeting tomorrow afternoon. Messrs. [redacted] OCI, and [redacted] FE Division have been advised.
